1. Introduction/Aim

At Alverstoke Infant School we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils. Missing out on lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a [wide range of evidence](#) as to the health and wellbeing benefits of school-age education. [Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors/trustees to:

- Promote good attendance, enabling pupil's achievement by establishing the highest possible levels of attendance and punctuality.
- Recognise the key role of all staff in promoting good attendance.
- Provide a clear framework for monitoring and responding to pupil absences, acting early to address patterns of absence.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Promote positive support systems and advocate multi-agency approaches to improve attendance.
- Make parents aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, and other relevant legislation.

2. Legal Framework

This policy meets the requirements of the [Working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#).

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory

school age on the last Friday in June of the school year in which they reach the age of 16. The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent and severe absence.
- Ensure every pupil has access to full-time education to which they are entitled.
- Act early to address patterns of absence.
- Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.
- In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents and carers are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

“Parent” is defined as:

- Any natural parent, whether married or not.
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

3. Roles and Responsibilities

At Alverstoke Infant School, we believe that improving school attendance is a shared responsibility by governors, all school staff, parents, pupils, the wider school community and multi-agency partners. We aim to always work in partnership with our parents.

Key staff with responsibility for the management of attendance are:

Role	Name	Contact details
Senior Attendance Lead/Champion	Vanessa Ridler Headteacher	02392 582403 V.Ridler@alverstoke-inf.hants.sch.uk
Attendance Officer	Sandra Hughes Ciera Moore	02392 582403 admin@alverstoke-inf.hants.sch.uk
Named Governor/Trustee for Attendance	Martin Westwood	02392 582403

These personnel can all be contacted via email through the school's main admin inbox: adminoffice@alverstoke-inf.hants.sch.uk, or by telephone on 02392 582403.

The Governors of Alverstone Infant School recognise the importance of school attendance and promote it through the school's ethos and across its policies. They may take an active role in attendance improvement by:

- Setting high expectations of all leaders, staff, pupils, and parents so that children attend school every day and are safeguarded.
- Identifying a member of the governing body to lead on attendance matters and ensuring that there is a named senior manager to lead on attendance.
- Prioritising attendance in strategies, such as raising attainment, behaviour and combatting bullying, special educational needs and disabilities, wellbeing, and safeguarding.
- Ensuring school leaders fulfil expectations and statutory duties by rigorously evaluating the effectiveness of the school's attendance procedures so that consistent attendance support is provided for all pupils.
- Ensuring the schools' attendance management processes are delivered effectively, and that consistent attendance support is provided for pupils who require it most by prioritising the staff and resources needed. This includes ensuring schools engage and work effectively with the local authority School Attendance Support Team and wider local partners and services.
- Regularly reviewing attendance data, discussing, challenging trends, and helping school leaders focus improvement efforts on the individual pupils or cohorts who need it most.
- Ensuring high aspirations are maintained for all pupils and processes for support are adapted to the individual needs of pupils including those with long term illnesses, special educational needs and disabilities, pupils with a social worker, those pupils under the Virtual School and pupils from cohorts with historically lower attendance such as those eligible for free school meals.
- Ensuring all school staff receive adequate training on attendance and that relevant staff have access to opportunities to share and learn from good practice in other schools.
- Ensuring that attendance data is shared with the Local Authority or Department for Education in line with statutory reporting deadlines.
- Reviewing the school's Attendance Policy on at least an annual basis, ensuring that the required resources are available to fully implement the policy, which is published and publicised regularly so that it is easily accessible to pupils, parents and staff.

The Senior Management Team at Alverstone Infant School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form and maintain positive relationships with pupils and parents.
- Ensure that there is a whole school approach which reinforces good school attendance, with good teaching and learning experiences, with a whole school culture that encourage all pupils to attend and to achieve.
- Make sure all teaching and non-teaching staff know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.

- Have a clear school attendance policy which all staff, pupils and parents understand. Monitor the implementation and effectiveness of the Attendance Policy and ensure that the policy is reviewed annually.
- Ensure the school have accurate, complete admission and attendance registers and have effective day to day processes in place to follow-up absence.
- Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place.
- Share information and work collaboratively with other schools in the area, local authorities, and other partners where a pupil's absence is at risk of becoming persistent or severe.
- Ensure that there is a named Senior Attendance Champion to lead on attendance and allocate sufficient time and resource.
- Attend the termly school attendance supporting meetings with the local authority, focusing on those pupils with severe absence, making sure a regularly reviewed plan is in place.

Class teachers will:

- Ensure that all students are registered accurately at the morning and afternoon session
- Promote and praise good attendance at all appropriate opportunities
- Liaise with Senior Leadership Team on matters of attendance and punctuality
- Communicate any concerns or underlying problems that may account for a child's absence, as part of the school's safeguarding procedures.

All staff at Alverstoke Infant School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form positive relationships with pupils and parents.
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all pupils to attend and to achieve.
- Know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.

The member of staff responsible for attendance will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support.

Alverstoke Infant School requests that parents:

- Take a positive interest in their child's work and educational progress.
- Ensure their child has regular attendance at school.

- Instill the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return. This can be via email, the school's telephone attendance inbox or via a written note.
- Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours.
- Provide written proof of medical appointments so that these can be authorised.
- Support any requests for exceptional authorised leave of absence with written evidence, as requested by the school.
- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child's attendance.
- Support the school by becoming involved in their child's education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.
- Further information can be found at: [Attendance guidance for parents | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/attendance-guidance-for-parents)

Pupils will:

- Be aware of the school's attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- Bring a note of explanation from their parents or guardians to explain an absence that has happened or is foreseen.
- Follow the school procedure if they arrive late, entering via the school office. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation.

4. Categorising Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance. (Appendix 6)

4.1 Leave of Absence

Since September 2013, changes to Government regulations and guidance mean that Headteachers can no longer authorise leave of absence unless there are exceptional circumstances. Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance. Leave of absence should not be granted for a pupil to take part in protest activity during school hours. All absences associated with a holiday or other absence for the purpose of leisure and recreation during term time will be marked as unauthorised within the register. Any parents known to have removed their child from school for the sole purpose of a holiday or other absence for the purpose of leisure and recreation may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution.

We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Alverstoke Infant School, leave of absence is only granted at the discretion of the Headteacher and shall not be granted unless there are 'exceptional circumstances'. Alverstoke Infant School will respond to all applications for leave of absence in writing.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave, using the school's absence request form (see Appendix 2). If a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Headteacher, and it will be marked as unauthorised. Alverstoke Infant School will treat each application individually and will consider the circumstances of the application before a decision is made. This may involve requesting clarification or further information about the reason for absence. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

A penalty notice request or a referral for prosecution may be submitted to the Local Authority if: -

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period is taken, more than the agreed number of days.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

The 1996 Education Act also sets out the circumstances in which a pupil has not failed to attend school regularly and therefore the parent has not committed an offence. 4.3, 4.4 are examples of these. The full list is in the Appendix 6.

4.2 Medical Appointments and absence due to illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that a parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, parents are required to provide written proof of the appointment, (such as a prescription, appointment card, or other appropriate form of evidence) to the school office in advance of collecting their child. Without this the absence will not be authorized. No pupil will be allowed to leave the school site without parental confirmation.

In line with Department for Education guidance, if we do have a genuine concern about the authenticity of an illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging pattern of non-attendance, we will discuss the reasons for absence with the child's parent. We will invite parents to attend a support meeting as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to make a referral to the School Nursing Team and/or to liaise with the child's healthcare professional.

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with [Supporting pupils with medical conditions at school](#) and Hampshire policies regarding supporting children with health issues, [Behaviour and attendance resources for schools | Hampshire County Council \(hants.gov.uk\)](#). We will also consider whether an Individual Healthcare Plan is required.

4.3 Pupil Absence for the purposes of Religious Observance

Alverstoke Infant School acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school. [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](#) page 86

4.4 Parent travelling for occupational purposes

This is relevant where the pupil is a mobile child and their parent(s) is travelling in the course of their trade or business and the pupil is travelling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

4.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher. Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday.
- Shopping for uniforms.
- Arrangements or appointments for cutting the pupil's hair.
- Closure of a sibling's school for INSET (or other) purposes.
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation.
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend.
- Absences taken without the authorisation of the school.

If needed, the school can change an authorized absence to an unauthorized absence and vice versa, if new information is presented, for example where a parent states a child is unwell but on return to school there is evidence they have been on holiday. Any changes will be communicated to parents.

5. Our Procedures

5.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

For the purpose of this policy, the school defines:

"Absence" as:

- Arrival at school after the register has closed.
- Not attending school for any reason.

"Regular" attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised.

The school site opens for pupils from **8:30am**. Pupils must arrive in school by **8:40am** on each school day. The register for the first session will be taken at **8.45am** by every class teacher and will be kept open until **9:15am**. Pupils will be marked late by the school office if they arrive after **8.50am**. Arrival after the close of registration (**9:15am**) will be marked as

‘unauthorised absence’ in line with County and DoF statutory guidance. The register for the second (afternoon) session will be taken at **1pm** by all class teachers and will be kept open until **1.10pm**.

The school uses Arbor as its electronic MIS system for maintaining attendance registers.

Registers are legal records and all schools must preserve every entry in the attendance or admission register for 6 years from the date the data was entered. As the attendance register is a record of the pupils present at the time it was taken, the register should only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry. Where amendments are made, all schools must ensure the register shows the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment. On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non- compulsory school age) whose name is listed in the admission register at the time. The codes enable schools to record and monitor attendance and absence in a consistent way and are used to collect statistics. The data helps schools, local authorities, and the government gain a greater understanding of the delivery of education and the level of, and reason for, absence.

Reporting to parents

The school will regularly inform parents about their child’s attendance and absence levels. This is done at least annually, in the child’s school report. Attendance levels of all pupils are rigorously tracked by the school’s Senior Attendance Champion and Pastoral Support Worker on a half termly basis. Where attendance levels fall below 95%, parents are notified of concerns using a staged letter process.

5.2 Late Arrival at School

At Alverstoke Infant School all pupils are expected to arrive on time for every day of the school year. The school day begins at 8.40am. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 8.45. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to sign the late book and provide a reason for their absence. If their arrival is after **8.50am** it will be recorded as late - L code (Late before the close of register).

The school register will officially close at **9:15am**. All pupils arriving on or after this time will be marked as having an unauthorised absence for the session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

.

5.3 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school, parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9:30am and where no reason for absence is known.
- If there is still no contact made with the pupil's parents by 10am, a further telephone call home will be made. The child's named emergency contact will be telephoned if the parent(s) cannot be reached this time.
- If no response can be gained, a text message and email will be sent to the parent(s) advising that a home visit will be conducted if contact is not made by 10:30am.
- If school cannot contact a parent by 10:30am, a home visit will be carried out.
- School will telephone home if a pupil leaves the school without permission

In certain circumstances the School may also:

- Write to the parents of a pupil to highlight attendance or punctuality issues.
- Invite parents to discuss how school can support the family to make improvement.
- Refer to Inclusion Support Service for support, guidance, and advice.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through [Inclusion Support Service \(ISS\) | Hampshire County Council \(hants.gov.uk\)](#) and [Behaviour and attendance resources for schools | Hampshire County Council \(hants.gov.uk\)](#)
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing a Family Support Plan or consulting with the Children's Social Care or the police, where there are safeguarding concerns.

5.4 Attendance Rewards & Interventions

If a child misses 10% (3 weeks) or more schooling across the school year for whatever reason they are defined as **persistent absentees**. Pupils are rigorously tracked to monitor any pupils who are close to this threshold. Staged letters are used to share initial concerns, further concerns should there be no improvement and then notification of the need for a formal meeting with the headteacher. All of our persistent absentees and their parents/carers are subject to an Attendance Plan or Voluntary Parenting Contract.

Monitor and Analyse attendance

The school will:

- Monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families. This should go beyond headline attendance percentages and should look at individual pupils, cohorts and year groups (including their punctuality) across the school.
- Use this analysis to provide regular attendance reports to leaders (including any special educational needs coordinators, designated safeguarding leads and pupil premium leads) to facilitate discussions with pupils and parents.
- Undertake frequent individual level analysis to identify the pupils who need support and focus staff efforts on developing targeted actions for those cases.
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends. This should include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance.
- Benchmark attendance data (at whole school, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data.
- Monitor in the data the impact of school wide attendance efforts, including any specific strategies implemented. The findings should then be used to evaluate approaches or inform future strategies.
- Provide data and reports to support the work of the governing body and the local authority when appropriate.
- At Alverstoke Infant School, we will investigate any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%.

“Persistent absenteeism” (PA) is:

- Missing 10% or more of schooling across the year for any reason.

“Severe absence” (SA) is:

- Missing 50% or more of schooling across the year for any reason.

5.5 Support Systems

At Alverstoke Infant School, we recognise that poor attendance can be an indication of difficulties in a family’s life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child’s attendance and/or behaviour in school, for example: bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance

based on the individual needs and circumstances of the child.

Strategies we may use to support include:

- Soft starts, with pupils being settled into the day by the school's Pastoral Support Worker
- Special arrangements for coming into school, such as alternative entrances
- Reasonable adjustments with aspects such as uniform to reduce anxiety, particularly for pupils with sensory needs.
- Referrals to various services to support with mental health and well-being, parenting, anxiety etc...

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centered and planned in discussion and agreement with both parents and pupils.

5.6 Persistent Absence, Severe Absence and the use of legal interventions

A pupil becomes a 'persistent absentee' (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 38 sessions (19 days). Absence at this level could cause considerable damage to a child's educational outcomes.

A pupil becomes a 'severe absentee' (SA) when their attendance drops to 50% and below for any reason. Over a full academic year this would be 90 sessions (45 days). Absence at this level is causing considerable damage to a child's educational outcomes.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above.

Referrals may also be made to external agencies for targeted support. [Inclusion Support Service \(ISS\) | Hampshire County Council \(hants.gov.uk\)](#)

If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice, consideration of an Education Supervision Order or prosecution via the Magistrates' Court.

If parents attempt to avoid penalties by scheduling holidays that fall below the threshold (10 sessions), including during weeks containing Bank Holidays or INSET days, the school can issue a Penalty Notice.

Parents found guilty of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

In line with Hampshire County Council guidance, we will notify the Inclusion Support Service of all reduced timetables as soon as a plan has been agreed.

The following pages contain appendices relevant to this policy.

Appendix 1: Fixed penalty notice whole school warning letter

Dear Parent, Date: xx/xx/2025

Attendance at school and legal intervention

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly.

[Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. At Alverstoke Infant School our aim is to work with parents to ensure that all our pupils receive the most from their education and reach their full potential.

This letter is to remind all parents about the law that requires them to ensure that their child attends school regularly. The Government is very clear that no child should miss school apart from in exceptional circumstances and schools must take steps to reduce absence to support children's attainment.

The DfE policy document entitled, '[Working together to improve school attendance](#)' states:

All schools are able to grant a leave of absence at their discretion. A leave of absence from school maintained by a local authority or a special school not maintained by a local authority, must not be granted unless there are exceptional circumstances. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

If the school does not receive a request for leave, the head teacher will be unable to consider your individual circumstances and the absence will be recorded as unauthorised. There will be no obligation on the head teacher to reconsider authorising the leave if an application has not been made in advance.

The Local Authority operates a system where any pupil will meet the criteria for legal intervention if they have **at least 10 sessions (5 school days) lost to unauthorised absence by the pupil during 10 school weeks**. The intervention could be in the form of a fixed penalty notice. Any pupil at Alverstoke Infant School who meets the criteria, will be referred to the Local Authority for action to be considered.

If a fixed penalty notice is issued, the arrangement for the payment will be detailed on the notice. The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days. A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days.

A parent may receive more than one separate penalty notice resulting from unauthorised absence. When penalty notices are issued each parent will receive one per child. Therefore, each parent could receive multiple notices if they have more than 1 child who has been

absent. You should be aware that failure to pay the total amount within the timescale will result in legal action being taken. In some circumstances, the Inclusion Support Service may choose not to issue a further penalty notice in the same academic year and may instead choose to prosecute a parent under the Education Act 1996 S444. There is no right of appeal by parents against a fixed penalty notice.

I hope we can count on your support in this matter, please do not hesitate to contact me if you have any questions.

Yours sincerely,

Headteacher

and

Alverstoke Church of England Junior School

Request to authorise absence from school due to exceptional circumstances.

There is no general right to authorised absence for a family holiday. If you take your child out of school without permission the absence will be unauthorised; you may be issued a Penalty Notice, and the Local Authority may consider legal action.

Schools are only able to authorise absence from school in exceptional circumstances. In making a request for an authorised absence from school, you will need to explain why the circumstances are exceptional.

If you remove your child for an unauthorised period and it is the belief of the school and Local Authority that you have done this in a way as to avoid being issued a Penalty Notice, the Local Authority reserves the right to authorise the issuing of a Penalty Notice before the national threshold is met.

You are advised not to make any arrangements until your request has been considered.

Appendix 3: Example reply to leave of absence request

Dear XXXX,

**Request for your child XXXX
to be absent from school during term time**

I refer to your application requesting authorised absence from school from XXXX to XXXX for XXXX school days (XXX sessions).

Whilst I do understand the particular circumstances relating to your request, unfortunately this does not meet the criteria for authorised absence and will have to be recorded as unauthorised holiday.

As you are aware, due to current regulations, I am not able to authorise any holiday leave during term time, except under exceptional circumstances.

As the absence is for ten sessions or more it is subject to a penalty charge, per child, per parent (who has allowed the absence) and this letter serves as your Penalty Notice Warning.

Please refer to our Leave of Absence policy available on our school website and the weblink to Hampshire County Council's Code of Conduct and information for parents and carers:

<https://www.hants.gov.uk/educationandlearning/behaviour-attendance-parents#step-6>

Both explain in detail the conditions for issuing a penalty notice for unauthorised absence. Please also see the accompanying note about the impact of absences on your child.

If you require any clarification of the above information, please do not hesitate to contact me.

Yours sincerely

Appendix 4: Attendance Policy Quick Guide for Parents

Attendance Policy Quick Guide for Parents

We expect pupils to attend school for 100% of the academic year.

You can support your child to have excellent attendance by taking these steps:

- Ensure your child arrives on time for school every day and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by **9.15am**.
- If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours so that the absence can be authorised.
- If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence by either emailing the school office on adminoffice@alverstoke-inf.hants.sch.uk or by telephone 02392 582403. In the message you must leave your child’s full name, year and tutor group and give the specific reason for absence. The information you give will be recorded on our official register.

Leave of Absence

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our ‘Leave of absence request’ form to make these types of requests. The form should be submitted in advance of the leave of absence, via the admin email address adminoffice@alverstoke-inf.hants.sch.uk or by being handed to one of our admin team at the school office. You will receive a letter in response, to advise if the request has been granted or declined.

Punctuality

Pupils are expected to arrive on time for school in the morning and for every lesson during the day. Your child is late to school if they are not in the school building by 9am.

The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children’s attainment. I hope we can count on your support in this matter.

Please contact the school office if you require any support with ensuring your child’s regular school attendance.

Appendix 7 - Absence in specific cases

Absence through child participation in Public Performances, including theatre, film or TV work & modelling

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the Headteacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is down to the Headteacher's discretion as to whether this will be authorised. Any absence recorded as part of a child's participation in a public performance is recorded as 'C' an authorised absence.

Absence through competing at county, regional or national level for sport

Parents of able sportsmen and women can seek leave of absence from school for their child to take part in competitions. It is however, down to the Headteacher's discretion whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions are also at the discretion of the Headteacher and are not likely to be approved if it's a regular event, unless the sports club or association are providing an education tutor as part of their coaching.

Gypsy Roma Traveller Showman and Showman families

Absence of a child from a Traveller family that has left the area may be authorised if the absence is for work purposes only and it is believed that the family intends to return. To ensure the continuity of learning for Traveller children, dual registration is allowed. That means that a school cannot remove a Traveller child from the school roll while they are travelling. When the Traveller is away the home school holds the place open and records the absence as authorised through the 'T' code. Distance learning packs for traveller children are not an alternative to attendance at school.

Forces Families

A number of our pupils have a family member in the armed forces. In support of the Armed forces Covenant, there may be occasions, due to exceptional circumstance, where we are able to authorise short leave of absent requests. It is down to the Headteacher's discretion as to whether authorisation can be made.

Attendance

What the new DfE rules mean for me

I'm a single parent of one child and we want to go on holiday for 1 week during term time.

Your holiday will not be authorised and we strongly advise that you speak with the school before booking anything. Because your child will miss 5 school days, a penalty notice fine will be issued.

1 parent + 1 child = £160

Reduced to £80 if paid within 21 days

For each child a penalty is given:

+ £160

+ £160

+ £160

1 parent + 3 children = £480

Reduced to £240 if paid within 21 days

For a family with TWO parents

A penalty will be issued for each child.

2 parents + 3 x children = £960

Reduced to £480 if paid within 21 days

What happens if the school suspects children are actually on holiday?

Photos on Facebook?

Home visit shows no-one at home?

Other children talking about your holiday?

Foreign mobile dialling tone?

Amazing sun tan?

Please don't be offended if we ask for evidence of mention these questions to you. We're required to do this to ensure a fair system!

If in any period of not more than three years, your child has a second and a third leave of absence or pattern of irregular attendance

2nd Time

2 parents and...
1 child = £320
2 children = £640
3 children = £960
4 children = £1290
No discount for early payment

3rd Time

- ! A penalty notice fine will not be given and your case will be **taken to court**
- ! A magistrate can fine each parent **£2500** for each child
- ! 1 x parent + 4 x children = **£10,000**
- ! 2 x parents + 4 x children = **£20,000**

Typical reasons given that WON'T be authorised

Where attendance is irregular, or historically poor, sickness absences may be unauthorised unless medical confirmation by a GP surgery is given.

Please contact the school if you need any help or support.

Examples of unauthorised absences:

- Inadequate clothing for school
- Child being used as a carer
- Problems with transport
- Sickness of a parent or sibling

- Family holidays
