

Alverstone Infant School

Dear Parents/Carers

Friends of Alverstone

This year, Friends of Alverstone have worked hard to put on a number of events to raise extra funds for the school and provide some fun activities for both children and families following a few years where Covid stopped many of these events.

This year their activities have included:

The Welcome BBQ
Spooky Trail for Halloween
Christmas film night for children
Christmas Fayre
Mother's Day sale
Easter film night for children
Father's day sale
Cake sales
Ice lolly sales
Summer Fayre

This year the monies raised have gone towards iPads, classroom toys, playground games and equipment, a leavers party for Year 2 and more. School budgets are extremely tight and these extra items make a big difference for the children.

I would like to say a big thank you to all those parents who have helped with these events, especially our Year 2 parents whose children will be leaving this year. A HUGE thank you to Emily Gibbs who has been with the FoA for many years and has been proactive in getting these activities organised so well.

Next year, Friends of Alverstone will be chaired by Olga Winkle who is already looking into fundraising ideas. She would love to get more people onto the committee or volunteer some time to help out. Please look out next year for ways in which you can get involved in the FoA and help to continue its success.

Many thanks.
Kind regards

Steph Greenwood

Headteacher
