Dear Parents/Carers

Safer Streets Trial Project - Request for volunteers

We are delighted that we have been chosen for the Safer Streets trial project as the parking situation around school has been an ongoing cause for concern for many years.

We really hope that the project will deter people from parking near to the school; making the area safer and improving the air quality.

To make the project run successfully, we need a number of volunteer stewards. This will involve spending around half an hour supervising the barrier at drop off/pick up times. Full training will be given.

Please get in contact if you are able to help with this. It does not have to be a daily commitment as we could organise a rota of volunteers to fit around availability.

As this is a time when you are likely to be picking up and dropping off your own child, we can offer a free place in Cabin Crew for the times that you are needed to man the barrier.

Thank you for supporting us with this project.

Kind regards

Steph Greenwood
